

Directions and Parking

The UConn Brain Imaging Center is located in the **David C. Phillips Communication Sciences Building (PCSB)**. Our address is 2 Alethia Drive, Unit 1271, Storrs CT 06269. **Please note: At this time GPS navigation is not reliable. We recommend using Google Maps and entering the Nayden Rehabilitation Clinic as your destination.** Our main phone number is **860-486-3108**. Two dedicated parking spaces are available for visitors in the circular lot of the David C. Phillips Communication Sciences Building (see [map.pdf](#)). Park in one of the spaces marked 'Reserved – BIRC Visitors Only'. If the reserved spots are full, park in any available spot and we will provide you with a parking pass. The **David C. Phillips Communication Sciences Building** is directly in front of the parking spots, and is the building to the **right** of the Human Development building.

From Route 32: Turn onto 275 East (South Eagleville Road) and follow for approximately 2 miles. At the stop light at the junction of routes 32 and 195, turn **LEFT** onto Route 195 (Storrs Road). Follow directions from Route 195 (below).

From Route 195: Turn onto Bolton Road (between E.O. Smith and the School of Fine Arts.) Take your second **RIGHT** onto Alethia Drive, and then your second **LEFT** into the circular parking lot. Park in one of the reserved spaces.
